Work Experience

Software Developer at SFA TECHNOLOGIES PVT LTD

1 July 2022 - Present

At my current organization, I have worked on state level projects:

- **DPI SPORTS** (dpisports.in), It's a sport management system for school students of Madhya Pradesh and more than 1.9 lakh students have been registered through student registration page created by me. Also many other pages and reports I have created in this software.
- **MFP - ERP** (emfp.mp.gov.in), I have created two Modules by myself in this software.
- **Sanchi dairy ERP** (erpdairy.com), I have created Payroll Module in this software.
- Also worked on other ERP projects.
